

THE ROSELAND SURGERIES

Portscatho Surgery: St. Mawes Surgery: Tregony Surgery

Practice closure for staff training and clinical updates.

From 1:00pm on Wednesday 28th February and we will reopen on Thursday 29th February at 8:30am.

During this time the surgeries, including our dispensaries, will be closed except for access to emergency care via an initial telephone assessment service. Patients can access this service by calling our usual telephone numbers.

This closure is to provide vital training for our team and to allow us the time to improve our procedures and processes.

Thank you for your continued support.

The poster features a light green background with a dark blue NHS logo in the top right corner.
